Call-overs

Discussed having a list of people who have played in our league in the past, but don't have the time to commit full time to a team. Send info to Britt Cobean. For insurance, we can add these players to existing teams so they would be covered.

Fionne McCool has a Team Offer that will be forwarded to each team. It was also mentioned about a Fastball Tournament with the Kitchener League. Our Executive will be looking into this.
